## **DISCUSSED ITEMS**

### **1 I3E 2007**

It was decided that I3E 2007 will take place in Wuhan, China 10-12.10.2007, and that this will be published at the last session of I3E. The conference general chair will be Weijun (Joe) Wang. The other key positions of the conference were accepted as in the preliminary call for papers (attached)

### **2 Future conferences**

It was noted that I3E 2008 conference will most probably take place in Japan under the management of Tadao Saito and Motohisa Funabashi, and that Greece could be the place for I3E 2008. 2008 the conference should again be back in Europe in any case.

### **3 New interpretation of I3E**

It was decided that the new interpretation of the 3 E's in the I3E would be

e-business  
e-services  
e-society

instead of the previous

e-commerce  
e-business  
e-government.

This change is already incorporated to the preliminary call for paper to I3E 2007.

### **4 Conference feedback**

It was decided that conference feedback would be collected from the conference. At the same time, candidates to the I3E working group would be given a change to enlist themselves. It was noted that it is critical to get new active members to the workgroup.

### **5 Next meeting**

Next meeting will be in Wuhan, China, during the I3E 2007 conference.
